

## Why KTI Drayage?

### SHIPPING LINE BOOKINGS

Ability to rail-bill, check container availability, and interact directly with all shipping lines.

### MANAGE CARRIERS AND RATES

KTI has over 500 drayage carriers under contract.

### OPTIMIZE AND TRACK LOADS

We work with your Freight Forwarder, NVOCC and Ship line to get you the results you need.

### TRANSPORTATION INTELLIGENCE

Our vast UIIA-related relationships allow us to find equipment where others cannot.

### PORT MANAGEMENT

KTI has partnerships in every major rail ramp and sea port.

**"From start to finish, KTI manages not only freight, but peace of mind"**

## KTI Drayage Services

Did you know that since 2006, KTI has been arranging the movement of tens of thousands import and export containers for customers?

Did you know that KTI is an EPA Certified SMARTWAY Logistics Provider, member of ISRI and PSI, and a core LSP for seven of the top ten paper and metal scrap companies in the United States?

KTI has the expertise and relationships to work with your transportation export and import teams to provide solutions, capacity, and drayage support services.

Led by trained and dedicated account representatives, KTI will provide the rapid response and timely assistance needed for the successful transportation and management of both import and export container movements. Just give us the booking, KTI will sort out the rest

Give KTI a call at 1-800-720-7648 and let us show you how we can give you incredible service while still saving you time and money!
