

Why KTI LTL?

COMPETITIVE PRICING

KTI works with both regional and national carriers. LTL rate quotes are returned quickly by using technology and our experienced staff.

EXCEPTIONAL CUSTOMER SERVICE

After KTI arranges for your shipment, KTI stays in contact with the carrier before pickup and after delivery. We will keep you informed.

RELIABILITY and OPTIMIZATION

Take advantage of KTI's reliability, performance, and customized solutions.

TRANSPORTATION INTELLIGENCE

Our vast relationships allow us to find equipment and pricing where others cannot.

"From start to finish, KTI arranges not only freight, but peace of mind"

KTI Less than Truckload Services

Do you have less than a full truckload to ship?

Did you know that since 1997, KTI has been arranging the movement of thousands of less than truckload shipments for customers?

Did you know that KTI is an EPA Certified SMARTWAY Logistics Provider, member of ISRI and PSI, and a core LSP for seven of the top ten paper and metal scrap companies in the United States?

Led by trained and dedicated account representatives, KTI will provide the rapid response and timely assistance needed for arranging your company's LTL shipments. Just give us the shipment to arrange and KTI will sort out the rest

Give KTI a call at 612-293-7980 and let us show you how we can give you incredible service while still saving you time and money!
